15.0 **Probation**

15.1 The period of probation of the Executive promoted to any higher post will be one year. The probation may be extended at the discretion of the appointing authority by one year and under exceptional circumstances by another period of one year.

15.2 On successful completion of the period of probation, the Executive will be regularized in the post. He shall not be regarded as having been automatically regularized unless an order to this effect is issued to him in writing. If, during the probation period, including extensions, if any, the performance of the Executive is not found satisfactory for being retained in the post to which he was promoted, the Appointing Authority may revert him to the post he was occupying prior to his promotion. However, it would be necessary to serve the Executive with atleast one written warning each prior to either extending the probation period or reverting him..

16 **Fixation of seniority in case of promoted Executives**

The fixation of seniority in case of promoted Executives will be on the basis of merit ranking given by the DPC and approved by the Appointing Authority. In case where the channel of promotion to a particular post may be from more than one post in the lower grade, the inter-se-seniority between the candidates promoted from two different lower posts will be

fixed on the basis of their dates of initial appointment on regular basis in the lower grades.

17.0 **Promotion of Executives who are under suspension or against whom departmental proceedings are pending (Sealed Cover Procedure) :**

17.1 At the time of consideration of the cases of Executives for promotion, details of Executives in the consideration zone for promotion falling under the following categories shall be specifically brought to the notice of the Departmental Promotion Committee:-

- (i) Executives under suspension ;
- (ii) Executives in respect of whom a charge sheet has been issued and the disciplinary proceedings are pending, and ;
- (iii) Executives in respect of whom prosecution for a criminal charge is pending.

17.2 The Departmental Promotion Committee shall assess the suitability of the Executives coming within the purview of the circumstances mentioned in para 17.1 above along with other eligible candidates without taking into consideration the disciplinary case/criminal prosecution pending. The assessment of the DPC, including "Unfit for Promotion", and the grading awarded by it will be kept in a sealed cover. The cover will be superscribed "Findings regarding suitability for promotion to the grade/post of \_\_\_\_\_ in respect of Shri \_\_\_\_\_ (name of the Executive). Not to be opened till the termination of the disciplinary case/criminal prosecution against Shri \_\_\_\_\_." The proceedings of the DPC need only contain the note, "The findings are contained in the attached sealed cover."

17.3 The same procedure outlined in para 17.2 above will be followed by the subsequent Departmental Promotion Committees convened till the disciplinary case/ criminal prosecution against the Executive concerned is concluded.

**Action after completion of disciplinary cases/criminal prosecution :**

17.4 On the conclusion of the disciplinary case/criminal prosecution, which results in dropping of allegations against the Executive, the sealed cover or covers shall be opened. In case the Executive is completely exonerated, the due date of his promotion will be determined with reference to the position assigned to him in the findings kept in the sealed cover/covers and with reference to the date of promotion of his next junior on the basis of such position. The Executive may be promoted, if necessary by creating supernumerary post. He may be promoted notionally with reference to the date of promotion of his junior. However, whether the Executive concerned will be entitled to any arrears of pay for the period of notional promotion preceding the date of actual promotion,

and if so to what extent, will be decided by the Appointing Authority by taking into consideration all the facts and circumstances of the disciplinary proceedings/criminal prosecution. Where the authority denies arrears of salary or part of it, it will record its reasons for doing so.

- 17.5 If any penalty is imposed on the Executive as a result of the disciplinary proceedings or if he is found guilty in the criminal prosecution against him, the findings of the sealed cover/covers shall not be acted upon. His case for promotion may be considered by the next DPC in the normal course and having regard to the penalty imposed on him.

**Six monthly review of „sealed cover“ cases:**

- 17.6 It is necessary to ensure that the disciplinary case/criminal prosecution instituted against any Executive is not unduly prolonged and all efforts to finalize expeditiously the proceedings should be taken so that the need for keeping the case of an Executive in a sealed cover is limited to the barest minimum. The Appointing Authority concerned, therefore, should review comprehensively the case of the Executive whose suitability for promotion to a higher grade has been kept in a sealed cover on the expiry of six months from the date of convening the first Departmental Promotion Committee, which had adjudged his suitability and kept its findings in the sealed cover. Such a review should be done subsequently also every six months. The review should, inter-alia, cover the progress made in the disciplinary proceedings/criminal prosecution and further measures to be taken to expedite their completion.

**Procedure for ad-hoc promotion:**

- 17.7 In spite of the six monthly review referred to in para 17.6 above, there may be some cases, where the disciplinary case/criminal prosecution against the Executive is not concluded even after the expiry of two years from the date of the meeting of the first DPC, which kept its findings in respect of the Executive in a sealed cover. In such a situation, the appointing authority may review the case of the Executive, provided he is not under suspension, to consider the desirability of giving him ad-hoc promotion keeping in view the following aspects:
- a) Whether the promotion of the employee will be against public interest;
  - b) Whether the charges are grave enough to warrant continued denial of promotion;
  - c) Whether there is no likelihood of the case coming to a conclusion in the near future;
  - d) Whether the delay in the finalization of proceedings, departmental or in a court of law, is not directly or indirectly attributable to the Executive concerned; and

- e) Whether there is any likelihood of misuse of official position which the Executive may occupy after ad-hoc promotion, which may adversely affect the conduct of the departmental case/criminal prosecution.
- 17.8 The Appointing Authority should also consult the Central Bureau of Investigation and take their views into account where the departmental proceedings or criminal prosecution arose out of investigations conducted by the Bureau.
- 17.9 In case the Appointing Authority comes to a conclusion that it would not be against the public interest to allow ad-hoc promotion to the Executive his case should be placed before the next DPC held in the normal course after the expiry of the two years period to decide whether the officer is suitable for promotion on ad-hoc basis. Where the Executive is considered for ad-hoc promotion, the Departmental Promotion Committee should make its assessment on the basis of the totality of the individual's record of service without taking into account the pending disciplinary case/criminal prosecution against him.
- 17.10 After a decision is taken to promote an Executive on ad ad-hoc basis, an order of promotion may be issued making it clear in the order itself that;
- i) the promotion is being made on purely ad-hoc basis and the ad-hoc promotion will not confer any right for regular promotion; and
  - ii) The promotion shall be "until further orders". It should also be indicated in the order that the Company reserves the right to cancel the ad-hoc promotion and revert at any time the Executive to the post from which he was promoted.

If the Executive concerned is acquitted in the criminal prosecution on the merits of the case or is fully exonerated in the departmental proceedings, the ad-hoc promotion already made may be confirmed and the promotion treated as a regular one from the date of the ad-hoc promotion with all attendant benefits. In case, he could have normally got his regular promotion from a date prior to the date of his ad-hoc promotion with reference to his placement in the DPC proceedings kept in the sealed cover(s) and the actual date of promotion of the person ranked immediately junior to him by the same DPC, he would also be allowed his due seniority and benefit of notional promotion as envisaged in para 17.4 above.

- 17.11 If the Executive is not acquitted on merits in the criminal prosecution but purely on technical grounds and the Company either proposes to take up the matter to a higher court or to proceed against him departmentally or if the Executive is not exonerated in the departmental proceedings, the ad-hoc promotion granted to him should be brought to an end.

**Applicability of "sealed cover" procedure to the Executive coming under cloud after holding of DPC but before promotion:**

17.12 The Executive, who is recommended for promotion by the departmental promotion committee but in whose case any of the circumstances mentioned in para 17.1 arise after the recommendations of the DPC are received, but before he is actually promoted, will be considered as if his case had been placed in a sealed cover by the DPC. He shall not be promoted until he is completely exonerated of the charges against him and the provisions stated above will be applicable in his case also.

**18.0 Effect of penalty on promotion.**

18.1 In case where any Executive is awarded any minor penalty under the Conduct, Discipline & Appeal Rules, he shall be debarred for promotion for a period of one year or until the period of his penalty comes to an end, whichever is later.

18.2 In case where any Executive is awarded major penalty under the Conduct, Discipline & Appeal Rules, he shall be debarred for promotion for a period of two years or until the period of his penalty comes to an end, whichever is later.

**Clarification:**

- a) Wherever the promotion has been delayed from the eligibility date for a period of one year, in case of minor penalty and for more than 2 years in case of major penalty, due to disciplinary proceedings (for no fault of the executives concerned) the clause 18.1 and 18.2 as may be applicable, would run concurrently with the currency of the punishment.
- b) If the Executive completes his penalty before he becomes eligible for promotion, debarring period as per clause 18.1 /18.2 as the case may be, would commence from the date, he become eligible for promotion.

**19. Appeals against promotion orders.**

An Executive, who is aggrieved by an order of promotion on the ground that he has been superseded, may appeal or represent his case to the Appointing Authority through proper channel within three calendar months succeeding the month of issue of the order granting such promotion.

20. **Reservation of posts.**

The directives of Central Government regarding reservation of posts for Scheduled Castes, Scheduled Tribes and other categories, if any, issued from time to time shall be followed.

21. **Relaxation.**

The Chairman-cum-Managing Director, at his discretion, may relax any of the provisions of this policy to mitigate the cases of hardship or to meet Organizational requirements. However, as far as relaxation in qualifying time period for promotion at various levels is concerned the Chairman-cum-Managing Director will seek approval of the Board.

22. **Interpretation.**

In case of any doubt about any of the provisions of this policy, the interpretation of rule by the Chairman-cum-Managing Director shall be final.

23. **Amendments/Modifications.**

The Chairman-cum-Managing Director may, at any time, depending upon the requirements of the Company modify/amend and/or alter any of the provisions of the promotion policy in the overall interest of the Company.

24. **Previous Orders.**

The provisions of this policy shall supersede all the rules, cadre schemes and orders framed/issued from time to time on the subject of promotions of Executives by the Company.
