

Judges interacting with participants

Participants listening carefully to swachhata ideas

A participant giving ideas on cleanliness

Active participation by MECL employees in extempore competition

Panel of Judges evaluating performance by candidates

Under 'Swachhata Pakhwada' activities, an elocution competition was organized for MECL employees at Gurukul Training Centre, Corporate Office, Nagpur on 24th June, 2016. An enthusiastic discussion took place on the theme "How to keep our Campus Clean" and 14 participants shared their thoughts and ideas on the same. The participants were judged by a panel of judges and evaluated for their performance.

This activity acted as a brainstorming session wherein multiple ideas were generated with an aim to sustain a clean and green MECL campus. MECL will try to implement all feasible ideas to ensure cleanliness at our campus in future.
